

Avantopool Kinos

The Kinos pool is designed and manufactured in Finland, emphasizing design, ergonomics, and sustainability. Its modular stairs and railings can be installed either on the sides or at the end of the pool, ensuring flexibility in placement. The pool comes with an insulated lid for energy efficiency. The Kinos pool's water filtration and continuous UV purification ensure that the water is always clean.

The standard colors of the pool panels, corner plates and steps are black, white or grey.

HS Code

85161080

Recommended accessories	Ref.
Filter 5 pack	KSU05P
Filter 18 pack	KSU18P
Kinos Care Package	KHU001

Available in 3 colors: black, white, grey

Product name	Product code	EAN	Shipping measurements
Kinos (white)	AP001	6429810465054	122 x 82 x 123 cm, 170 kg
Kinos (black)	AP001	6429810465030	122 x 82 x 123 cm, 170 kg
Kinos (grey)	AP001	6429810465047	122 x 82 x 123 cm, 170 kg

Technical details

Dimensions without steps	Length 120 cm, width 79 cm, height 105 cm
Dimensions with steps	Length 120/154 cm, width 79/113 cm, height 122 cm
Capacity	300 l
Weight when empty	147 kg, with railings and steps
Weight when filled	450 kg
Power supply	220-240V (single phase), 50Hz, power cord with RCD, length 5 m
Temperature range	Adjustable between +4°C and +38°C
Cooling / heating speed	4°C / hour
Current (max)	7 A
Cooling/heating electrical power	0.7 kW / 1,5 kW
Refrigerant	R290
GWP value	zero
Noise level	54 dB (A)
Control	Digital touch screen control, with a cold recovery timer
Hygiene	Water filtration and continuous UV purification
Outdoor use	Only when fully weather-protected
Average power consumption	Approximately 5 kWh/day once the pool has reached the target temperature
Warranty (limited)	Pool (basin), steel frame, rails, side panels, piping: <ul style="list-style-type: none"> 3 years Mechanical and automation components: <ul style="list-style-type: none"> private use 2 years, commercial use 1 year
